Michele Meoni, MBA

Passionate, driven and positive C-Level Director whom has consistently achieved owner's IRR/ROI and guest's service excellence.

Denpasar, Bali, Indonesia

Summary

CEO | COO | Managing Director – Hospitality & Real Estate Development

International hospitality and real estate development executive with 25+ years of leadership across Europe, the Middle East, and Asia. I build, scale, and stabilize luxury hotels, resorts, and mixed-use platforms for developers, family offices, and institutional owners.

My experience spans C-suite leadership, portfolio operations, and complex pre-opening environments, including COO responsibility for a multi-asset hotel group and executive delivery of large-scale greenfield and repositioning projects. I operate at the intersection of development, operations, and asset value, ensuring capital, product, and execution remain fully aligned.

I bring an owner-led mindset to operating model design, performance optimisation, and platform build-out across luxury, lifestyle, and destination assets. My focus is long-term value creation, disciplined execution, and accountability at scale.

MBA (London). eCornell certified in Hotel Real Estate Investment & Asset Management.

I engage selectively on CEO, COO, Managing Director, and operating partner roles within hospitality and real estate development platforms.
